(AUTONOMOUS)

CHAIRMAN'S MESSAGE

Dear parents and students!
Warm greetings from your Chairman!

I am pleased to share a few of my observations through this Newsletter 2017-2018. I hope this edition of the newsletter, now in your hands, will definitely stand as a true testimony to the complete record of all the academic, curricular, co-curricular and extra-curricular activities and events that were conducted in our Paavai Engineering College during the academic year 2017-2018.

All these events and programmes have been systematically organized and conducted well in such a way that it bears evidence to our strong commitment to offer quality education to all the Paavai students and thereby enabling them to flourish as stalwarts in their fields.

It is crystal clear that Paavai always gives priority to creating state-of-the-art professionals for the well-being of the society. In a bid to carry out our targets, Paavai students are offered multi-faceted opportunities of listening to inspiring lectures of great personalities and the success stories of achievers, administrators, chief executives, educationists, scientists, etc apart from their academic, co-curricular and extracurricular programmes.

I acknowledge and really welcome Astra, a campus connect programme for students of different caliber to unleash their creativity, histrionics, aesthetics, fine arts, debating skills, team dynamics, leadership and so on. Equally, it is a matter of pride that Paavai has become Champion of Champions in the Anna University Board Athletic Meet, achieving First Rank for the consecutive four years. The most important thing to make every one of us feel very proud is that a record number of women students emerge as achievers and they have brought laurels to Paavai by actively exhibiting their talents in games, athletics, weight-lifting, yoga, etc.

Regarding Placement, we have received as many as 1869 offer letters from the reputed organizations in this academic year. We feel proud that Ms. V. Divya Prabha II-Year B.E. Agri has participated in the Republic Day Parade Camp for one month in New Delhi and she was congratulated by our honorable Prime Minister on her best performance. Mr.A.Kishore Chowdary, Mr.Abubackkar Shithik and Mr.Vidhyadharan IV year B.E. IT, have won the C# Corner Most Valuable Professional Award.

I am sure that the learner-centric activities on the campus of Paavai are aimed at building a broad spectrum of competencies and skills so as to synergize and synthesize new thoughts and ideas enabling each student to serve the society and the nation in the most desirable way.

Having said and done, I believe that Paavai would reach the pinnacle of excellence with the trust and co-operation from the parents and the students. They trust us because we not only teach Engineering discipline but also Engineering Plus.

I wholeheartedly thank and congratulate the Principal, Heads of the departments, faculty and students for exhibiting the spirit of oneness in organizing the events and activities during 2017-2018 and I expect their continuous support in future also, as in the past.
