ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- + Basic Salary
- + Monthly Allowances
- + Variable Pay
- + Retirals & Insurances Benefit

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.
- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.
- **Bright Hour Allowance (BHA):** BHA is a non-recoverable monthly earning opportunity payable against a declaration by the employee for his/her availability in the Bright Hours and consent to move to any other OMC at any given time working during Bright Hours.
- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.
- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non-alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.
- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

VARIABLE PAY

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.
