#### DEPARTMENT OF BIOMEDICAL ENGINEERING

Seminar

On

"Carrier in Hospital Management"

The department of Biomedical Engineering and Medical Electronics, Paavai Engineering College in association with ISTE jointly organized inauguration of Bio-Med Club & online seminar on "Career in Hospital Management" on 01<sup>st</sup> September 2021. Ms. Sandra Elizabeth, Final Year B.E/Biomedical Engineering delivered the welcome address.

Dr.M.Premkumar, Principal, Paavai Engineering College, motivated the students to actively participate in club activities and explained how to involve in different activities to enhance the career development.

Dr.K.K.Ramasamy, Director admin, Paavai Engineering College, insisted the students to proper utilization digital resource available and enrich the soft skill and technical skill continuously. Ms.Naveena Evangeline, third year B.E/Biomedical Engineering introduced the chief guest. Mr. Baradwaj Malepati, Head of operation & Patient experience in star hospital, Hyderabad. During the session, he explained about the career in hospital management and it comprises of hospital managements, diagnostics, medical devices, clinical trials, outsourcing, telemedicine, medical tourism and health care insurance.. he discussed GDP raise in Indian health care industries and various initiative of government such as national digital health mission, unique health identification, Ayushman bharath, etc.

#### **ABOUT THE INSTITUTION**

PAAVAI ENGINEERING COLLEGE (An Autonomous institution) was started in the year 2001 and promoted by PAAVAI VARAM EDUCATIONAL TRUST with the basic principle of providing purposeful, goal oriented technical education and establishing a center of excellence in Engineering & Technology. The college is approved by AICTE, Accredited by NBA, and Accredited by NAAC (UGC) with "A" grade and affiliated to Anna University, Chennai. The college has the vision to strive to be a globally model institution all set for taking a 'lead-role' in grooming the younger generation socially responsible and professionally competent to face the challenges ahead. It has obtained research grants from ICMR, AICTE, TNSCST, MHRD and other funding agencies. The college attracts outstanding students by virtue of its discipline, modern infrastructure, Library and faculty. The Centre of excellence are IIT Bombay resource center, EMC2Academic alliance, ORACLE Academy, Paavaisoft Innovation center, and Infosys Campus Connect

#### ABOUT THE DEPARTMENT

The Department Of Chemical Engineering came into existence in the year 2015. The Department offers Undergraduate program in Chemical Engineering. The department is much focused to deliver a high quality of education to the students. It has well equipped labs for the students to enhance themselves with practical applications. The Department creates opportunities for their students to think out of box in order to get molded as world class professionals, capable of contributing to the welfare of society. The faculty members are having good research, teaching experience and have registered for five Patents. The faculty members has received research grants from AICTE, TNSCST, FAER and other funding agencies. The Department constantly motivates the students and faculty members for the collaborative projects, and research groups.

Inauguration Venue: Pyramid of Grace,

Near Paavai Polytechnic

College Building

Conference Venue: Smart Hall

ALL ARE WELCOME

Inauguration of Pyramid of Grace by our chief guest Er.N.Manickam, B.E., MIE, FIV, Managing Director, Thangam Associates, Rasipuram

#### About the Department

CMI Engineering is one of the major disciplines in the Engineering profession and its principles are involved in the design, development, construction and maintenance of structures. The Department of Civil Engineering has been established in the year 2005 and M.E. Structural Engineering in the year 2012. The departments have well established laboratories supplementing the academic needs of the students with well qualified faculty members in different areas of specialization. The academic activities and the Department emphasize deep understanding of fundamental principles and development of creative ability to handle the challenges of Civil Engineering. In addition to academic activities, the Department involves in offering consultancy services to the Industry and Society.

Structural Engineering is the field of Engineering that deals with the structural integrity and strength of a structure. It is a specialty of Civil Engineering that ensures the structures are safe and stable

#### PAAVAI ENGINEERING COLLEGE

(Autonomous)

(Affiliated to Anna university, Chennai )
(Approved by AICTE)
(Accredited by NBA, New Delhi, & NAAC with 'A' grade)

NH-44, Pachal, Namakkal –637 018.

Tamil Nadu.

Website: www.pec.paavai.edu.in

#### **ABOUT THE INSTITUTION**

PAAVAI ENGINEERING COLLEGE was started in the year 2001 and promoted by PAVAI VARAM EDUCATIONAL TRUST with the basic principle of providing purposeful, goal oriented technical education and establishing a center of excellence in Engineering & Technology. The college is approved by AICTE, Accredited by NBA and NAAC with 'A' Grade & Affiliated to Anna University, Chennai. The college has 15 UG Programmed and 7 PG programmes, It also has the vision to strive to be a globally model institution all set for taking 'lead-role' in grooming the younger generation socially responsible and professionally competent to face obtained research grants the challenges ahead. It has from AICTE, TNSCST and other funding agencies. The college attracts outstanding students by virtue of its discipline, modern infrastructure, Library and faculty.

#### ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering was established in the year 2001, offering B.E (ECE) and M.E (Communication systems). The UG programme is thrice accredited by NBA, New Delhi and permanently affiliated to Anna University, Chennai. The department promotes R & D activities in related areas in collaboration with the industries. The department is enriched with state-of-the-art lab equipment in Circuits lab, R&D lab, VLSI lab, Communication systems lab, embedded lab, Networks lab. The faculty members are well-experienced and dedicated towards the upliftment of the student community. The students are exposed to the practical and industrial aspects of the subjects through laboratory works, Industrial visits and Internship trainings

#### SCOPE & OBJECTIVE OF THE FDP

The main objective of this Faculty Development Programme is to focus on technical innovations which represent progressive developments within a field for converging technologies and to develop the knowledge in the aspect of Electronics and Telecommunication Engineering in various fields.

#### **Course Contents:**

- Introduction to Emerging Technologies.
- Importance of Wearable devices and its application
- Benefits of 5G Technology
- New trends in Networking concept for IoT
- ultimate vision of Digital Twin Technology
- Modes and Benefits of Green Transportation
- Basic terms associated with the Internet and World Wide Web.

#### Instructions:

The interested faculty are asked to fill the online Google registration form. Also join in the WhatsApp group for further communication until the end of FDP. Join the virtual meeting through Microsoft Teams on time (as per the class routine). All the online links mentioned in the brochure.

ICATS - 2021

#### **About the Conference**

ICATS - 2021 will be a melange of eminent speakers, Academicians, Subject experts, policy makers, industry professionals, officials, social activists, etc., to add to the cornucopia of knowledge & skills of all the attendees, particularly the prospective engineers. Discussions in the conference on various imperative topics will add an insight to ponder and confer over crus of today's scientific and technological perk up. Our conference is a scientific rostrum to unveil the novel developments and to cogitate, and conflate ideas and realities through practical experiences. ICATS is an unparagoned and an unmissable opportunity to engross the adaptive technologies, bobbing in the modern age. The events of the conference include plenary sessions, paper presentation, poster sessions, pre and post conference tour and exhibition of innovative product from manufacturers in order to promote innovative, cost-effective, Eco-friendly, socially and technically feasible products and practices

**Emerging Industrial Automation Systems** 

27th Sep, 2021

Organized by

DEPARTMENT OF ELECTRICAL AND ELECTRONICS
ENGINEERING ASSOCIATION WITH EDC

PAAVAI ENGINEERING COLLEGE (Autonomous) NH-7, Pachal Post, Namakkal -637 018. Tamil Nadu.

Paavai Engineering College established in 2001, is one of the many educational institutions nurtured by Paavai Varam Educational Trust. The college is Self-Financing, approved by AICTE, accredited by NBA, New Delhi and NAAC with "A" grade and affiliated to Anna University Chennai. Our college was granted fresh Autonomous status under UGC Scheme for Autonomous Colleges with effect from the academic year 2015-2016 by UGC, New Delhi. Equipped with latest facility and excellent infrastructure, the college offers atotal of 20 full time programmes including U.G, P.G and Ph.D. Currently more than 100 research scholars, both full time and part time, are working for their Ph.D degree. The college has developed five centres of excellence in various disciplines. More research facilities have been created in tie-up with numerous leading industries worldwide.

# ABOUT THE DEPARTMENT

Engineering is offering B.E (EEE) and M.E(Power Systems Engineering). The department is enriched with latest lab equipment and promotes R&D activities in related areas in collaboration with industries, wherever possible. The department has well equipped Power Electronics & Drives Lab and Power System Simulation lab with state-of-the-art technology. The faculty members are well experienced and dedicated towards the upliftment of the student community.

### OBJECTIVE

In this webinar, explained about automation system is to reduce human intervention. A human operator is prone to errors and fatigue which can lead to a variety of problems. Adapting an automation system will produce substantial benefits on profit, production rate, safety, and quality.

## COURSE CONTENTS

 Needs and importance of Emerging Industrial Automation Systems ELIGIBILTY

This webinar is mainly for the benefit of students of multi disciplinary backgrounds of UG and Post Graduates, Researchers and faculty members.

ő

"A ROLE OF ELECTRICAL ENGINEERS IN POWER SECTOR"

20th May 2022

Organized by

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING ASSOCIATION WITH EDC

PAAVAI ENGINEERING COLLEGE (Autonomous) NH-7, Pachal Post, Namakkal -637 018. Tamil Nadu.

Paavai Engineering College established in 2001, is one of the many educational institutions nurtured by Paavai Varam Educational Trust. The college is Self-Financing, approved by AICTE, accredited by NBA, New Delhi and NAAC with "A" grade and affiliated to Anna University Chennai.Our college was granted fresh Autonomous status under UGC Scheme for Autonomous Colleges with effect from the academic year 2015-2016 by UGC, New Delhi.Equipped with latest facility and excellent infrastructure, the college offers atotal of 20 full time programmes including U.G, P.G and Ph.D. Currently more than 100 research scholars, both full time and part time, are working for their Ph.D degree. The college has developed five centres of excellence in various disciplines. More research facilities have been created in tie-up with numerous leading industries worldwide.

# **ABOUT THE DEPARTMENT**

The department of Electrical and Electronics Engineering is offering B.E (EEE) and M.E(Power Systems Engineering). The department is enriched with latest lab equipment and promotes R&D activities in related areas in collaboration with industries, wherever possible. The department has well equipped Power Electronics & Drives Lab and Power System Simulation lab with state-of-the-art technology. The faculty members are well experienced and dedicated towards the upliftment of the student community.

### OBJECTIVE

In this Seminar explained about the the importance of An ability to design and conduct experiments, as well as to analyze and interpret data. An ability to design a system, component, or process to meet desired needs within realistic constraints such as economic, environmental, social, political, ethical, health and safety, manufacturability, and sustainability.

## COURSE CONTENTS

 Needs and importance of overview of the challenges of the power sector for electrical engineers.

### ELIGIBILTY

This Seminar is mainly for the benefit of students of multi disciplinary backgrounds of UG and Post Graduates, Researchers and faculty members.

Tamil Nadu.

Paavai Engineering College established in 2001, is one of the many educational institutions nurtured by Paavai Varam Educational Trust. The college is Self-Financing, approved by AlCTE, accredited by NBA, New Delhi and NAAC with "A" grade and affiliated to Anna University Chennai.Our college was granted fresh Autonomous status under UGC Scheme for Autonomous Colleges with effect from the academic year 2015-2016 by UGC, New Delhi.Equipped with latest facility and excellent infrastructure, the college offers atotal of 20 full time programmes including U.G, P.G and Ph.D. Currently more than 100 research scholars, both full time and part time, are working for their Ph.D degree. The college has developed five centres of excellence in various disciplines. More research facilities have been created in tie-up with numerous leading industries worldwide.

# ABOUT THE DEPARTMENT

The department of Electrical and Electronics Engineering is offering B.E (EEE) and M.E(Power Systems Engineering). The department is enriched with latest lab equipment and promotes R&D activities in related areas in collaboration with industries, wherever possible. The department has well equipped Power Electronics & Drives Lab and Power System Simulation lab with state-of-the-art technology. The faculty members are well experienced and dedicated towards the upliftment of the student community.

### OBJECTIVE

In this Workshop explained about the the importance of Battery management systems keep the battery safe, reliable, and increase the senility without entering a damaging state. Different monitoring techniques are used to maintain the state of the battery, voltage, current, and ambient temperature.

## COURSE CONTENTS

Needs and importance of EV Battery
 Management System and It's Fault Diagnosis.

### ELIGIBILTY

This Workshopr is mainly for the benefit of students of multi disciplinary backgrounds of UG and Post Graduates, Researchers and faculty members.

## RESOURCE PERSON

Dr. A. RAMMOHAN, M.E., Ph.D.,
Autonomous Vehicles Research Lab i/c,
Automotive Research Centre (ARC),
Vellore Institute of Technology (VIT), Vellore

#### ABOUT THE INSTITUTION

#### ABOUT THE INSTITUTION

PAAVAI ENGINEERING COILEGE (An Autonomous Institution) was founded in the year 2001 and promoted by PAAVAI VARAM EDUCATIONAL TRUST with the basic principle of providing purposeful, goal oriented technical education. The College is approved by AICTE, accredited by NBA and NAAC (UGC) with "A" grade and affiliated to Anna University, Chennai. The Vision of the College is to strive to be a global model Institution all set for taking a lead-role' in grooming the younger generation to be socially responsible and professionally competent to face the challenges ahead. It has obtained research grants from 1CMR. AICTE, TWSCST, MHRD and other funding agencies. The College attracts outstanding students by virtue of its discipline, modern infrastructure and excellent faculties. The Sources of Excellence are 11T Bombay's Resource Centre, EMC2 Academic Alliance, ORACLE Academy, Paavai soft Innovation Centre, and Infosys Campus Connect.

#### ABOUT THE DEPARTMENT

### ABOUT THE DEPARTMENT

The Department of Chemical Engineering came into existence in the year of 2015, which offers Undergraduate Programme in Chemical Engineering. The department is much focused on delivering high quality of education to the students. It has well equipped laboratories for students to enhance themselves with practical applications. The Department creates opportunities for its students to think out of bee and get molded as world class professionals and capable of contributing to the development of the society. The faculty members are having good research, teaching experience and have published nine Patents. They have also received research grants from AICTE, TNSCST. FAER and other funding agencies. The Department constantly motivates its students and faculty for collaborative projects and researchs.

PAAVAI ENGINEERING COLLEGE (An Autonomous institution) was started in the year 2001 and promoted by PAAVAI VARAM EDUCATIONAL TRUST with the basic principle of providing purposeful, goal oriented technical education and establishing a center of excellence in Engineering & Technology. The college is approved by AICTE, Accredited by NBA, and Accredited by NAAC (UGC) with "A" grade and affiliated to Anna University, Chennal. The college has the vision to strive to be a globally model institution all set for taking a 'lead-role' in grooming the younger generation socially responsible and professionally competent to face the challenges ahead. It has obtained research grants from ICMR, AICTE, TNSCST, MHRD and other funding agencies. The college attracts outstanding students by virtue of its discipline, modern infrastructure, Library and faculty. The Centre of excellence are IIT Bombay resource center, EMC2Academic alliance, ORACLE Academy, Paavaisoft Innovation center, and Infosvs Campus Connect

### ABOUT THE DEPARTMENT

The department of Food Technology was established in the year 2018. The courses are designed to impart knowledge on various aspects of food processing, food preservation, food chemistry, food quality, food safety and marketing aspects of food and food products. This program offers under graduate level class work and research opportunities related to food process technology, food microbiology, edible oils, engineering design, post-mortem biochemistry of muscle foods, proteins and enzymes, food rheology, and beverage science.

Its primary objective is to produce competent food scientists and technologists who can take leading roles in improving the socio-economic status of regional people. The department is also intended to provide technical support to farmers and entrepreneurs to establish small scale industries. The curriculum framed us in such a manner that by the time the student completes this degree they grow multi-dimensional fit to work in research, teaching and industry.

### **Department of Information Technology**

#### "Emerging Trends in IT"

The Department of Information Technology, Paavai Engineering College in association with certiport organized a one day guest lecture on "Emerging Trends in IT" on 28th April 2022 at Kalams chamber. Ms.S.L.Nivetha, Third year B.Tech / IT welcomed the Gathering. Dr.k.Sundaramurthy, Dean Academics, Paavai Engineering College, delivered his presidential address on the occasion. Ms..R.Charulatha from Third Year B.Tech / IT introduced the Chief guest, and the floor was handed over to the Chief Guest Mr. Thanga Pandian, CEO, Certiport, TamilNadu. Mr. Thanga Pandian gave the guidance on the introduction of current Technologies in IT and then explained about Three-vertical in IT (Development, Support, Database), If engineering students learn these three things, they can easily get a job in IT, He shared about his college experience and what he did on his college days usefully. Then he said that the students should not depend on the academics mark only, and he insisted that they should have co-curricular activity that will them help to sustain in the IT industries, He also shared that the Services to be done for a cloud like GCP, AWS, AZURE and Microsoft, Then asked some question to participants like what is the window frontend and backend? He said, "Marks is not more crucial than Skills", So he advised the students to learn co-curricular activities then abreast with the technology ,He share about one student who won a AI program competition but now he become entrepreneur, which he inspired in his life. He also created an awareness about Microsoft certiport offering course to students with discount, the session was very informative and interesting. Then the floor was opened to the participants for queries. Finally, the vote of thanks was proposed by Ms.S.Deva Dharshini from Second Year B.Tech / IT.

NH-44, Pachal, Namakkal - 637 018.

Mr.A.Mohammed Rilwan , Final year B.Tech /IT done the master of ceremony. Ms.M.Sneha, final year B.Tech / IT welcomed the Gathering. Dr.M.Premkumar, Principal of Paavai Engineering College, delivered his presidential address on the occasion. Ms.K.Sowmiya from Second Year B.Tech / IT delivered Chief Guest addressing and the floor was handed over to the Chief Guest Mr.H.Raghul, Delivery Manager, System Admin, (IaaS) Migration, DXC Technology, Bangalore. He gave the guidance on the introduction of cloud technologies and types of cloud services like (IaaS, PaaS, SaaS). He also shared the certification to be done for a cloud like GCP, AWS ,AZURE. He shared his valuable experience in working as a system admin and guided the students about cloud opportunities in hardware, software, storage, server, virtualization and also gave examples for those respectives . He also created an awareness about world wide accepted cloud certifications like CompTIA A+, CCNA, CompTIA Storage+, Redhat and windows server, VMWare, etc. The session was very informative and interesting. Then the floor was opened to the participants for queries. Finally the vote of thanks was proposed by Ms.S.Priya Dharshini from Second Year B.Tech / IT.

# The Department of Information Technology Webinar organized on 14.08.2021

The department of Information Technology, Paavai Engineering College organized a one day webinar on "IOT with Cloud App Integration" on 14th august 2021. Mr.A.Mohamed Rilwan, Final Year B.Tech/IT welcomed the gathering. Dr.M.PremKumar, Principal, Paavai Engineering College (Autonomous) delivered her presidential address on the occasion and the chief guest Mr.M.sabarinathan, Executive Manager, Gateway Software Solution, Coimbatore. He gives the brief introduction about the IOT technology, the machine-to-machine type of communication in IoT and also gives the applications of IoT. He said that "Future is based on the IOT Technology" and suggest the students to learn this Technology. Then the next guest speaker Mr.P.Vishnu, AI Developer, Gateway Software Solution, Coimbatore. Take over the floor and explain the methods to integrate cloud with the IOT Technology and need for the integration of cloud with IOT. He ALSO explained about arduino board, microcontrollers and, sensors used in the IOT. Then the floor is opened for the participants for queries. Then the vote of thanks was proposed by Ms.M.Sneha Final Year / IT. The session was very informative and interesting.

# DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING ORGANIZED A ONE DAY GUEST LECTURE ON 08.04.2022

#### Report on Guest Lecture Titled "Machine Learning"

#### 8th Apr, 2022

The Department of Computer Science and Engineering Organized an one day Guest Lecture on "Machine Learning" on 8<sup>th</sup> April 2022 at Kalams Chamber. Ms.P.Sindhu, Third Year/CSE Welcomed the Gathering, Dr.M.Premkumar, Principal of Paavai Engineering College Deliverd his Presidential address on the occasion and the Momento was presented by the principal to the Guest Speaker. The Cheif Guest Introduction was given by Ms.S.Yuvetha from Third Year/CSE and the floor was handed over to the Cheif Guest Mr.S.Kumar, Technical Lead Trainer, Next Technologies, Coimbatore. He started with the Introduction of Machine Learning and its basic needs.He also shared the IOT concepts, and He discussed about the final year students real time projects. The session was very informative and interesting, the the floor was opened to the participants for queries. Finally the vote of thanks was proposed by Mr.L.Kesavan from Second year/CSE, Totally 230 Students benefited from the Programme.

# DEPARRMENT OF COMPUTER SCIENCE AND ENGINEERING WEBINAR ON

#### "IBM ENTERPRISE AI AND FUTURE TECHNOLOGIES"

The Department of Computer Science and Engineering, organized a webinar on IBM ENTERPRISE AI AND FUTURE TECHNOLOGIES on 29-09-2021 for the Faculties and Students of PAAVAI ENGINEERING COLLEGE (AUTONOMOUS). The resource persons wereMrGanesanNarayanasamy is an IBM Global Leader for AI and Cloud enablement and ecosystem for IBM POWER/OpenPOWER Systems, Mr. Abhishek Shah is an Junior Research Scientist, Object Automation Software Solutions. Artificial intelligence (AI) is a wide-ranging branch of computer science concerned with building smart machines capable of performing tasks that typically require human intelligence. It leverages computers and machines to mimic the problem-solving and decision-making capabilities of the human mind. This guest lecture was informative and the speaker elucidated on various AI AND FUTURE TECHNOLOGIES with real time examples. The resource person gave real world examples like COBOTS, GENE EDITING, CONNECTING BRAIN CLOUD, DIABETIC RETINOPATHY, FACE RECOGNITION, QUANTUM COMPUTING and explained about the need and demand of the top jobs in terms of salary, growth of postings, and general demand of ARTIFICIAL INTELLIGENCE. The students interacted with the expert and the session was informative.

#### **ABOUT THE INSTITUTION**

PAAVAI ENGINEERING COLLEGE (An Autonomous institution) was started in the year 2001 and promoted by PAAVAI VARAM EDUCATIONAL TRUST with the basic principle if providing purposeful, goal oriented technical education and establishing a center of excellence in Engineering & Technology. The college is approved by AICTE, Accredited by NBA, and Accredited by NAAC (UGC) With "A" grade and affiliated to Anna University, Chennai. The college has the vision to strive to be a globally model institution all set for taking a 'lead- role' in grooming the younger generation socially responsible and professionally competent to face the challenges ahead. It has obtained research grants from ICMR, AICTE, TNSCST, MHRD and other funding agencies. The college attracts outstanding students by virtue of its discipline, modern infrastructure, Library and faculty. The centre of excellence are IIT Bombay resource center, EMC2Academic alliance, ORACLE Academy, paavaisoft Innovation center, and Infosys campus connect.

#### ABOUT THE DEPARTMENT

Department of Pharmaceutical Technology was established in the year 2018. It explores the subject of manufacture of pharmaceuticals and drugs, chemical engineering and computation. The courses are designed to impart knowledge on various aspects of drug design, development, testing, and safe and effective use of drugs/medicines including drug delivery systems. The courses provide a unique fusion of biology with engineering and technological concepts to develop skilful processes/techniques for designing, procuring and evaluating various kinds of drugs and drug delivery systems. The courses also provide a unique opportunity to pharmacy professionals to serve the humanity by alleviating the discomfort, pain and sufferings (caused by various diseases) through discovery and development of safe and effective drugs/medicines. The laboratories are well equipped with various sophisticated machinery required for imparting knowledge to the students regarding various formulations, processing and testing equipment used in the manufacturing of pharmaceutical dosage forms like tablets, capsules, liquids, semi-solids, parenteral and novel drug delivery systems.
