

Institutions Distinctiveness

Our college always adopts uniqueness in moulding the personality of the students by following its own Distinctiveness, Christened as “**Mandatory registration for internships for all the students**”.

The main objective of this internship is to transform the students’ community into economically independent citizens. This is unique, because it is adopted under the principle, “Earn while you learn”.

The college has made its sincere attempt to make all students to register for internships through Internshala. In the academic year 2022–2023, our students received 1858 internship offers in total from the various companies.

The selected student gets stipend for internship. In Paavai Engineering College, there are totally 4125 students are registered and overall 830 students got selected for internships in the respective companies including industrial internship. The students’ community avail these opportunities provided by the college and enjoy the benefit of getting stipend to ensure the social security. It motivates the student to be self-supporting.

Paavai Engineering College has received All India level First Rank – Best Internship Record during Internship day on 23.01.2024 jointly organised by AICTE and Internshala and it was awarded by Shri. Sarvesh Agarwal, Founder and CEO, Internshala, New Delhi. Paavai Engineering College has received outstanding achievement award for securing All India Rank 1 for the academic year 2022-2023.

Many students have evolved as an app developer, software developer, programmer and an entrepreneur.
