Offer Letter

Dear Thirumal A,

With reference to your application, and subsequent interview you had with us, we are pleased to offer you the position of **Trainee Engineer** in our organization. The effective date of your appointment will be confirmed once your academic commitments conclude and in accordance with your college management's suggestion and will let you know on the following terms and conditions

You will be on probation for a period of 6 months from the date of your appointment. The management may at its discretion extend the probationary period either during or at the end of original or extended probationary period(s). You will continue to be on probation until confirmed to you in writing.

On acceptance of the terms of conditions as per this letter of Offer, you can terminate your services, by giving three (3) months' notice to the management. The management reserves the right to recover the salary in lieu of notice period or shortfall in notice period. You shall not be eligible to avail leave during the notice period. Further the management may, at its discretion, relieve you from such date as it may deem fit, even before the expiry of the notice period, without compensating for the unexpired period and is not bound to give any reason thereof.

If your performance or conduct is not satisfactory, the management reserves its right to terminate your services without notice at any time during your service with the company.

You will be required to effectively perform your duties to ensure results and you will be expected to work extra hours to achieve this whenever the job so requires.

Your Annual Salary would be decided based on your performance & during the training period stipend would be given as per company norms. Based on your performance from time to time the company has the rights to increase your salary or give you a performance incentive which is at the discretion of the organization.

Other to your salaries after your confirmation you shall be entitled to extra benefits such as

1. Weekend Allowance if you are asked to work any weekend

These extra benefits are subjected to conditions and shall change from time to time. You are requested to update yourself with the company rules and regulations and policies and understand the same.

Your individual remuneration and benefits is purely a matter between yourself and company and has been arrived at on the basis of your specific background and professional merit. We expect you to maintain this information and any changes made therein from time to time as personal and confidential.

Your responsibilities will involve not only as a Trainee engineer, but also to be a mentor to new members of the company and also to learn towards being a Team Leader. Also from time to time you might have to be ready in learning and un-learning different detailing codes that could enable us to move forward to provide services to the rest of the world.

You will devote your full time and attention exclusively to the duties entrusted to you from time to time by the company and while in service of this company you will not work for any person or company in any capacity nor do any private business, or part time job or freelancing without obtaining prior permission of the company in writing.

The management may at its discretion extend the probationary period either during or at the end of original or extended probationary period(s). You will continue to be on probation until confirmed to you in writing.

On acceptance of the terms of conditions as per this letter of Offer, you can terminate your services, by giving three (3) months' notice to the management. The management reserves the right to recover the salary in lieu of notice period or shortfall in notice period. You shall not be eligible to avail leave during the notice period. Further the management may, at its discretion, relieve you from such date as it may deem fit, even before the expiry of the notice period, without compensating for the unexpired period and is not bound to give any reason thereof.

If your performance or conduct is not satisfactory, the management reserves its right to terminate your services without notice at any time during your service with the company.

You will be required to effectively perform your duties to ensure results and you will be expected to work extra hours to achieve this whenever the job so requires.

Your Annual Salary would be decided based on your performance & during the training period stipend would be given as per company norms. Based on your performance from time to time the company has the rights to increase your salary or give you a performance incentive which is at the discretion of the organization.

Other to your salaries after your confirmation you shall be entitled to extra benefits such as

1. Weekend Allowance if you are asked to work any weekend

These extra benefits are subjected to conditions and shall change from time to time. You are requested to update yourself with the company rules and regulations and policies and understand the same.

Your individual remuneration and benefits is purely a matter between yourself and company and has been arrived at on the basis of your specific background and professional merit. We expect you to maintain this information and any changes made therein from time to time as personal and confidential.

Your responsibilities will involve not only as a Trainee engineer, but also to be a mentor to new members of the company and also to learn towards being a Team Leader. Also from time to time you might have to be ready in learning and un-learning different detailing codes that could enable us to move forward to provide services to the rest of the world.

You will devote your full time and attention exclusively to the duties entrusted to you from time to time by the company and while in service of this company you will not work for any person or company in any capacity nor do any private business, or part time job or freelancing without obtaining prior permission of the company in writing.

Sir/Madam,

Subject: Inquiry Regarding Joining Dates of Selected Students.

I hope this letter finds you well. I am writing on behalf of IGO Agritech Farms Company, and I extend our gratitude for the warm hospitality and cooperation extended during the recent campus interviews conducted at Paavai Engineering College on Monday and Tuesday. We are delighted to inform you that we have successfully selected a number of talented students from your esteemed institution. Understanding the academic commitments of the selected students, we would like to inquire about the joining date of the selected students. This will enable us to coordinate with the selected candidates and plan their onboarding process effectively.

Dear **Ms. Abhinaya Valsarajan**,

Congratulations!

We are pleased to inform you that you have been shortlisted for training with our concern **Shantee Technologies**, which will help you with the employability skill training. We will bear all the training expenses for this 20 days program for successful candidates. If for any reason you drop out from the training program after first three days you are liable to pay back the recruitment and training expenses of **INR 15,000** to the company.

On successful completion of the training you will be on boarded on rolls of **Shantee Technologies** as **Web Researcher** at a monthly consolidated salary of **INR 8,000**.

Our on boarding team will be in touch to update your date of joining before 10 days. This is only an interim offer and the training start date may be postponed or preponed based on the business need of the organization. The company will not be liable to the student to hire them if the business scenario changes.

After completing the joining formalities for training, based on the business requirements we would confirm the work and the candidates should be flexible to work in any shifts.

We welcome you to our Company and look forward to a long and mutually beneficial association.

Yours Sincerely,
For **Shantee Technologies**

Dear Dhiya Priya K,

Sub: Letter of Offer

Thank you for exploring career opportunities with TATA Consultancy Services Limited (TCSL). You have successfully completed our initial selection process and we are pleased to make you an offer.

This offer is based on your profile and performance in the selection process. You have been selected for the position of **Assistant System Engineer-Trainee Grade Y**. You will be assigned a role in any Unit as per business requirements of TCSL.

Your gross salary including all benefits will be **₹3,36,877/-** per annum, as per the terms and conditions set out herein.

Kindly confirm your acceptance of this offer online through the option 'Accept Offer letter'. If not accepted within 7 Days, it will be construed that you are not interested in this employment and this offer will be automatically withdrawn.

After you accept this offer, you will be given a joining letter indicating the details of your joining date and initial place of posting. The Joining letter will be issued to you only upon successful completion of your academic course, you meeting the TCS eligibility criteria & you completing the mandatory pre-joining learning curriculum named TCS Xplore/ TCS Initial Learning Program (ILP); detailed under Terms & Conditions. You will also be issued a letter of appointment at the time of your joining after completing joining formalities as per company policy. Your offer is subject to a positive background check.

TOP FRESHERS

Dear Mr. Navin Krishna SR
Sub: Offer Letter

Date: 10th April 2024

Thank you for exploring career opportunities with Top Freshers. You have successfully completed our selection process and we are pleased to make you an offer of employment. You have been selected for the position of **Research Associate** at Top Freshers Private Limited - Chennai. And your appointment will be governed by the terms and conditions presented below. Your stipend during the internship period, your compensation will be **Rs 10000 per month**. After successful completion of the internship period, based on the performance, will be **Rs 3,00,000 - 4,50,000 Per annum** (including variable component).

1. Place of Posting

You will be based at our office in Chennai. However, your services are transferable and you may be seconded or deputed to any operation under the management of Top Freshers, their parents, subsidiaries, affiliates or clients whether in India or abroad.

2. Probation Period

You will be on probation for a period of 6 months before the date of joining. The probationary period shall be extended to a maximum of 3 additional months before the date of joining, if the company feels necessary. During the probationary period we will evaluate your work, including your interaction with colleagues and customers (if applicable) to determine whether you are suitable for the position. If the probationary period is completed successfully, the notification will state that you are suitable for permanent employment. If it has not been executed successfully, necessary steps will be taken to inform you of the results and begin the termination process.

3. Notice Period

You may terminate your employment by giving Three months' notice in writing to the company, or by payment of Three months' base salary in lieu thereof. Company may terminate your employment by giving you one-month notice.
