Minutes of Meeting - AY 2025-2026

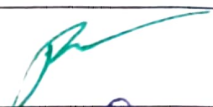

The meeting of the **Institution–Industry Cell (IIC)** for the **Academic Year 2025–2026** was held on **08.10.2025 at 3.30 p.m.** in the **Principal's Cabin**. The committee discussed the following points:

Points Discussed

1. **Strengthen industry–institute interaction** through regular expert lectures, industrial visits, mentoring sessions, and collaborative activities to bridge the gap between academia and industry.
2. **Establish new MoUs** with leading industries, IT companies, manufacturing organizations, startups, and Centres of Excellence to enhance internships, research, and skill development opportunities.
3. **Promote collaborative research and consultancy projects** with industry partners, encouraging faculty and students to work on real-time industrial challenges.
4. **Conduct industry-oriented programmes** such as workshops, hackathons, boot camps, certification courses, and technical symposiums focusing on AI, IoT, Robotics, Cyber Security, Electric Vehicles, and Industry 4.0 technologies.
5. **Enhance student employability** by offering value-added certification programmes, industrial training, internships, and placement-oriented skill development in collaboration with industry experts.
6. **Strengthen alumni and corporate networking** to facilitate mentorship, internships, entrepreneurship support, guest lectures, and placement opportunities.
7. **Encourage innovation and entrepreneurship** by promoting startup incubation, prototype development, product innovation, patent filing, and participation in national innovation challenges.

8. **Monitor industry collaboration outcomes** through periodic reviews of MoUs, internship conversions, placement statistics, collaborative projects, and feedback for continuous improvement.

The meeting concluded with a vote of thanks to the Chair, and the committee resolved to implement the above initiatives to strengthen industry collaboration, enhance employability, and promote innovation during the Academic Year **2025–2026**.
